GROUP

It's what's on the

**inside**

**that counts.**

# WHY MORE AUSTRALIANS ARE SELECTING STEEL

A Stoddart Group steel house frame is an investment in your new home's future. More Australians are selecting steel for long-term peace of mind.

It's the reassurance of a frame that's **100% termite-proof, pesticide-free** and provides a **straight and true canvas for your home finishes**.

And it's **design freedom**, not just now, but in years to come. Steel is perfect for open plan housing, and offers flexibility for easy alterations and additions when the need arises.

## BENEFITS OF STEEL FRAMING

- Straight and true
- 100% pesticide-free
- 100% termite proof
- No twisting or warping
- Won't catch fire
- Design flexibility

## LIFETIME GUARANTEE AGAINST TERMITES

With more than 100,000 Australian homes each year affected by termites and an average repair bill of \$7,000\*, it's critical to protect your home. Stoddart steel offers:

- 100% termite-proof structure\*
- Maintenance-free termite protection

\* (CSIRO Report)

## FRAMES THAT RUN TRUE AND STRAIGHT

The strength of steel is backed by industry-leading design and fabrication technology. Gain from:

- Cutting-edge design software
- High-tech roll-forming technology
- Weather-proof pre-assembled frames that resist warping and swelling
- Minimal movement

## 50 YEAR GUARANTEE\*

Gain the peace of mind of a Bluescope Steel 50 year warranty for eligible applicants:

- Guarantee against failure due to corrosion
- Structurally certified by independent engineers

\* Terms and Conditions apply

## WEATHER-RESISTANT CONSTRUCTION

Forget fair weather, steel stands strong in all weather. Relax, knowing your home will stand the test of time:

- No risk of structural damage from rot or decay
- Reduced maintenance issues from moisture and swelling

## FIRST CHOICE FOR YOUR HEALTH, ENVIRONMENT AND SAFETY

Steel is the sustainable choice. Protect your family knowing that steel is:

- Completely pesticide-free
- 100% recyclable
- Resistant to mould, rot and fire

# STODDART GROUP - OVER 60 YEARS OF STABILITY

With 60 years in the building industry, the Stoddart Group is a leading supplier and expert installer of residential building solutions for the residential market.

We are the often unseen but ever-present backbone of the construction of a new home.

We've searched the world and partnered with only the best suppliers and manufacturers meaning our quality and consistency are second to none.
